Rest, rejuvenate, reconnect

Discover your
own world **within**

From quiet moments at The Sound Sanctuaries and focused sessions at Home/Work, to lively gatherings at The Dining Room and celebrations with friends at The Jewel – River Green offers spaces designed for every occasion.

Up on the rooftop, lifestyle facilities bring everyday living to new heights. Whether it's unwinding at The Hideout or raising a toast at Sip & Chill, every moment is framed by the stunning city skyline.

Purposefully designed to support biodiversity and enhance daily living, River Green is home to curated, immersive habitats spread across four distinct zones. From Nature's Trail to Garden Pavilions, the landscape invites you to live among trees that are 100% native, and a diverse mix of plants and shrubs, over half of which are either native or riverine species. Here, reconnect with nature and learn about Singapore's ecological heritage, all in the heart of the city.

A tribute to Singapore's native and riverine landscape

The Jewel

Framing River Green's iconic glass house, native plant species such as Areca Palms and Red Leeas create a warm, welcoming backdrop for gatherings and celebrations.

Nature's Trail

A winding green corridor lined with the Crepe Myrtle, Fire Bush and more. As it weaves through the estate, it offers quiet retreats from the city and moments of unexpected discovery.

Work/Out

Re-energise in an outdoor gym environment framed by Anderson, Wild Pepper and Finger Palms – proving that well-being starts outdoors.

Garden Pavilions

Reconnect with nature at Petals & Pollen, where vibrant flora like Lantana Camara brightens up each day or at Spice & Herb, where aromatic plants such as Lemongrass and Pandan offer a sensory escape.

Intelligence

As the first residential development to attain BCA Green Mark Platinum Super Low Energy (SLE) with all five sustainability badges, River Green sets a new benchmark for green living in River Valley.

BCA Green Mark Platinum Super Low Energy (SLE)

Here, be part of a car-lite environment featuring 150 bicycle lots, 20 EV and 40 EV-ready parking spaces. With at least 30% of the common areas powered by solar energy and naturally ventilated spaces, this is more than just a home – it's a future-ready community ensuring a better life today and a greener future for tomorrow.

Universally built

Thoughtfully designed with the seven principles of Universal Design, River Green prioritises accessibility and convenience, creating a welcoming environment for every resident and guest.

Barrier-free routes throughout the estate

Family-friendly toilet

Wheelchair-accessible pool entrance

Wide corridors & resting areas with varied seat heights

Quiet rooms like The Sound Sanctuaries designed for individuals with special needs

Convenience at your fingertips

River Green is built with smart features that keep you secure, connected and in control. This is peace of mind and everyday comfort, built into your home.

Digital door lockset with biometric scan & PIN code for a seamless experience

Smart smoke detectors & keyless letterbox system for added safety & convenience

Remote air conditioning control

A smart gateway hub for better communication & connectivity across the development

Home to the finer things in life

Be enveloped by luxury and quality from the moment you come home. Material palettes of marble and sintered stone are layered with the refined grain of engineered wood, reflecting meticulous attention to detail, while high-quality fittings imbue every touchpoint of River Green.

Shaping a sustainable tomorrow for River Valley

The development objectives of Wing Tai Asia are directed by quality and progressive design, with a consciousness for the environment. Principles of sustainability are articulated in our design and development approaches for enrichment of living environments, integrating developments into surrounding greenery and locale, transforming living spaces into cherished homes.

Challenging convention while embracing heritage and tradition, exciting yet functional, our projects invite people to appreciate the beauty of timeless design. We have a steadfast commitment to quality in every aspect of our developments, from immaculate craftsmanship to impeccable service. This finesse is manifested in our pairing of world-renowned architects and designers for collaborations, bringing together contrasting approaches and cultures to create projects that break new ground.

With an attractive portfolio of residential properties that are globally sought after by a discerning clientele, like The LakeGarden Residences, The M, The Garden Residences, The Crest, The Tembusu, Le Nouvel Ardmore, Belle Vue Residences and Draycott Eight, we constantly seek to create lasting value for our customers.
