

Alexandra
Peaks

**HDB'S SALES LAUNCH
JULY 2025**

BTTogether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

ALEXANDRA PEAKS

Bounded by Alexandra Road and Prince Charles Crescent, Alexandra Peaks comprises 2 blocks of 38 and 46 storeys, with a total of 498 3-room and 4-room flats. These flats will be offered as Prime flats under the new flat classification (<https://www.hdb.gov.sg/cs/infoweb/residential/buying-a-flat/finding-a-flat/standard-plus-and-prime-housing-models>). The project shares the same name as the neighbouring Blocks 139 to 141 and takes its name from its tall residential blocks overlooking Alexandra Canal. Residents can look forward to scenic views and easy access to recreational activities, such as cycling, jogging, and leisure walks along the waterfront.

Artist's impression

Designed to be a tranquil retreat near the city, Alexandra Peaks offers a variety of facilities including a sky terrace, an adult fitness station, a hardcourt, and a precinct pavilion. Residents can also enjoy access to additional amenities at the adjacent Blocks 139 to 141, which include a preschool, an eating house, a minimart, shops, a residents' network centre, and children's playgrounds. There are also therapeutic spaces where residents can rest within, and enjoy the peaceful natural environment. Alexandra Peaks is served by a Multi-Storey Car Park (MSCP) with a roof garden located at Block 140.

The units in the two residential blocks on the left are for sale in this exercise, the units in other blocks were released for sale in an earlier sales exercise.

For a detailed layout of the facilities provided at Alexandra Peaks, refer to the site plan. Facilities in this project will be accessible to the public.

Notes:

- All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
- Proposed Civic & Community Institution includes examples such as Community Centre/Club, Association, etc.
- Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and Elder care Facilities, etc.
- The existing/proposed industries shown are located within 500m radius of the Project/Projects (New).
- The developments and facilities shown (whether existing or proposed) may:
 - Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - Be used as temporary construction sites by the relevant authorities.
- The future land use for former school sites are subject to review or changes by the relevant authorities.
- To support the development of key infrastructure, temporary worker dormitories may be set up near residential areas by relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Alexandra Peaks will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

WASTE

BICYCLE
STANDS

ABC WATERS DESIGN
FEATURES

SMART SOLUTIONS

Alexandra Peaks will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Alexandra Peaks residents will be served by bus services along Alexandra Road and Tanglin Road. The nearby Redhill MRT Station on the East-West Line connects to nearby towns. Learn more about transport connectivity in this precinct using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltagov/Home/PDF/MTM.pdf>.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

3-ROOM	4-ROOM
<ul style="list-style-type: none">• Floor tiles in the:<ul style="list-style-type: none">• Bathrooms• Household shelter• Kitchen/ utility• Wall tiles in the:<ul style="list-style-type: none">• Bathrooms• Kitchen/ utility• Water closet suite in the bathrooms	<ul style="list-style-type: none">• Floor tiles in the:<ul style="list-style-type: none">• Bathrooms• Household shelter• Kitchen and service yard• Wall tiles in the:<ul style="list-style-type: none">• Bathrooms• Kitchen• Water closet suite in the bathrooms

OPTIONAL COMPONENT SCHEME

The Optional Component Scheme (OCS) is an opt-in scheme that provides convenience for our buyers. If you opt-in for OCS, the cost of the optional components will be added to the price of the flat. Please refer to the attached OCS leaflet for details.

LAYOUT IDEAS

3-ROOM FLOOR PLAN

(With Suggested Furniture Layout)

Approx. Floor Area 66sqm

Inclusive of Internal Floor Area of 63sqm and Air-con Ledge

To cater to changing lifestyles and to provide more flexibility in the use of kitchen space, HDB has designed the flats with a combined kitchen/utility space.

The layout offers homeowners flexibility in configuring the area according to their preferences.

For example, you can add a partition to separate the utility from kitchen, as indicated in the dotted lines.

Residential units in Alexandra Peaks are designed without beams within the internal spaces, which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

The coloured floor plan is not intended to demarcate the boundary of the flat

4-ROOM FLOOR PLAN

(With Suggested Furniture Layout)

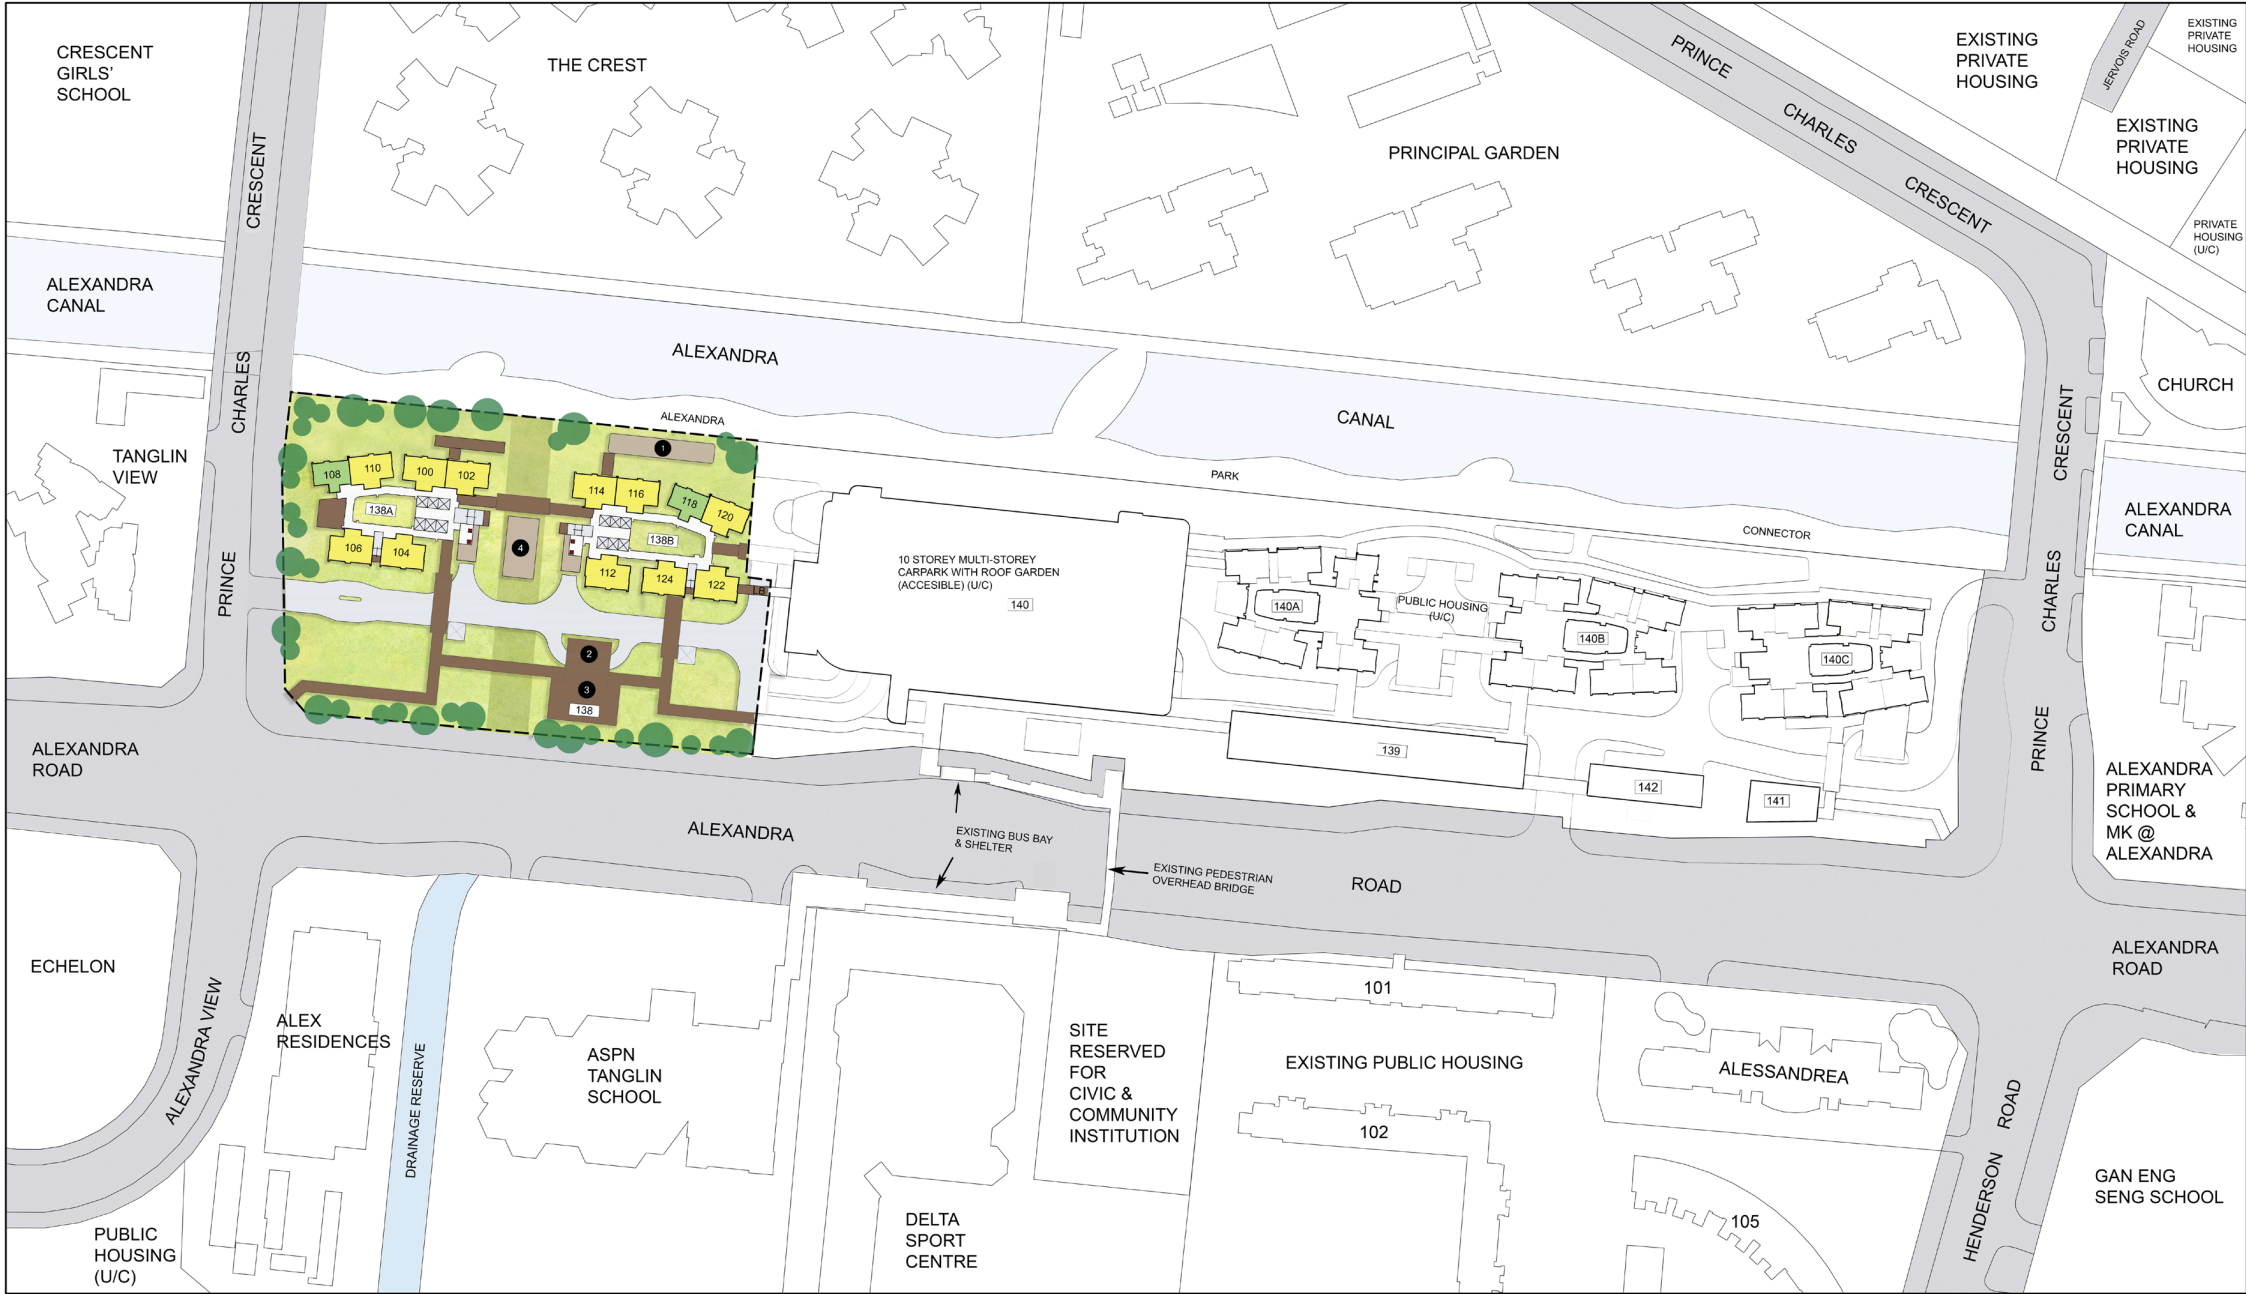

Approx. Floor Area 89sqm

Inclusive of Internal Floor Area of 86sqm and Air-con Ledge

Residential units in Alexandra Peaks are designed without beams within the internal spaces, which results in a consistent headroom instead of having lower headroom at areas with beams. As a result, residents will have greater flexibility in configuring the layout of their flat according to their needs.

The coloured floor plan is not intended to demarcate the boundary of the flat

You are advised to visit HDB's website at www.hdb.gov.sg for information on renovation rules.

DISCLAIMER

- 1) HDB owns the copyright in all information, maps, and plans of this brochure.
- 2) The content provided in this brochure should be read in conjunction with the corresponding sales model of this development. All information provided in the brochure and sales model are not intended to form part of any offer or contract for the sale of flats. They are provided for your general information only and are not intended to be, or to be relied upon as, statements or representations of fact, offers or warranties (whether expressly or impliedly) by HDB. At no time should any reliance be placed on the contents of this brochure and information reflected in the corresponding sales model. Any such reliance shall be at the sole risk and discretion of the recipient.
- 3) Visual representations such as pictures, art renderings, depictions, illustrations, photographs, drawings, as well as other graphic representations and references are only artistic impressions. They are provided for your general information only, and are not representations of fact.
- 4) The information on this project, including but not limited to the dimensions, areas, plans, colour schemes, descriptions, and specifications, are subject to change or review without notice at our sole discretion or if required by the relevant authorities.
- 5) We may at any time, without any notice and at our sole discretion, change any aspect of this project, including but not limited to the omission, amalgamation, increase, or reduction of amenities and facilities, colour schemes, design features, and specifications.
- 6) We will not entertain any request for alteration of the layout or specifications of a flat to suit individual needs.
- 7) While reasonable care has been taken in providing the information in this brochure, we do not warrant its accuracy. We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
- 8) The floor areas shown are scaled strata areas and are subject to final survey.
- 9) The surrounding land use and proposed facilities (including but not limited to their locations, form, massing and/or building heights) as shown in the maps and plans are subject to change and planning approval. They may include ancillary uses allowed under the Urban Redevelopment Authority's prevailing Development Control guidelines. Housing projects may be located near roads, railways, airbases, construction sites and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. For any housing project affected by environmental issues relating to air, water, soil quality or ambient noise, HDB will carry out development in compliance with the prevailing regulatory requirements and/or recommendations by professional experts.
- 10) We reserve the right to use or allow the use of any:

• Void deck of any apartment block

• Car park;

• Common property (such as precinct pavilion); or

• Standalone community building,

for:

• Future amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, and day activity centres);

• Commercial facilities (such as shops and eating houses);

• Mechanical and electrical rooms; and

• Such other facilities as we deem fit.
- 11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.
- 12) Without prejudice to the generality of the above, please also refer to "Important Notes" on page 1.
